What to expect during construction

- Half of road closed for duration of construction
- Limited, shared and changing business access
- Right in/out turning access only
- Brief scheduled power, gas, water and phone service disruptions
- Closure of North College Road east & west legs
- One lane of traffic in each direction only
- Possible changes in traffic signal timing

ITD Construction Team

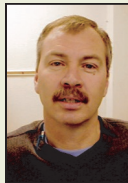

Kimbol Allen, Resident Engineer

Kimbol has administered several major projects in the southern Magic Valley for three years, including the Twin Falls Alternate Route.

Chris Severson, Engineer Assistant

As a 30-year veteran of road construction, Chris will assist in coordination of ITD forces and overall construction management.

Chase Camberlango, Construction Manager

Still new to ITD, Chase brings his construction knowledge from eastern Idaho and will provide support throughout construction.

Key construction improvements

- Storm water drainage system
- Conduit for future light at Cheney Drive
- ADA ramps added to city streets
- Some access improvements to businesses
- New base and road structure
- Traffic detection cameras added to some lights
- Utility improvements and replacement
